

ROCORI High School Parking Permit Application

Dear Student and Parent/Guardian:

Every year ROCORI High School has a number of students driving a vehicle, snowmobile, or motorcycle to school. Even though it would be more economical to ride the bus to school, we do realize that there are circumstances that arise that make driving necessary. In the interest of safety, all vehicles, snowmobiles, and motorcycles parking in school designated parking lots, need to be registered.

I realize that driving a vehicle, snowmobile, or motorcycle to school is a privilege and that the school has the authority to control and restrict the use of vehicles, snowmobiles, and motorcycles by students.

School Regulations

1. All vehicles, snowmobiles, and motorcycles must be parked in designated areas only.
NO ATV'S WILL BE ALLOWED ON SCHOOL GROUNDS
2. Students must drive carefully and observe a 10 M.P.H. speed limit on school grounds.
3. Vehicles parked on school property are subject to searches just as lockers are.
4. **All vehicles must properly display a parking permit that may be obtained in the school office or you must park on the street. This includes if you forget your permit at home or in another vehicle.**

Parking Lot

Student parking is permitted in the parking lot only. Automobiles should not be parked on the grass, out of the normal parking rows, in restricted areas that have been identified for emergency vehicles, or on the West side of the school building. Any violations of these procedures can and may be given a ticket or towed away at the expense of the owner. Loitering in the parking lot is not allowed.

No traffic or parking is allowed on the North side of the school building at any time of the day. This area is designated as the bus loading and unloading area for ROCORI High School and is also a fire lane. The speed limit in the school lot and around the school area is 10 miles per hour.

Students will be required to pay a \$50.00 annual (or \$25.00 for 3 terms) for parking privileges. A parking permit will be issued for each registered vehicle in the high school parking lot. Violators will be ticketed. After a student is issued a second parking ticket for any reason and both go unpaid for over 48 hours, the student will have a conversation with the Principal, Assistant Principal, and / or the School Resource Officer. The student will need to make arrangements to pay for the citations. If the student receives a third violation that also remains unpaid, the student's vehicle is subject to being towed at the discretion of the Principal, Assistant Principal, and / or the School Resource Officer. The student's parent will be called and notified of the citations being unpaid at the same time the student is called to the office. The cost of the tow is the responsibility of the owner of the vehicle and / or the student that drives the vehicle. The student will not be allowed to park on ROCORI School property while school is in session.

The School Resource Officer will take care of the enforcement of the above and will keep the Principal and the Assistant Principal updated on any problems. No vehicle will be towed without the permission of the Principal or the Assistant Principal.

ALL DRIVERS NOTE: PEOPLE IN ANY CROSSWALK HAVE THE RIGHT AWAY, ESPECIALLY ON SCHOOL PROPERTY.

I agree to observe the above regulations in order that I may have the privilege of driving to school. I also understand that a reported violation may result in a fine and/or loss of parking privileges for 30 days.

Student's Name Printed _____

Student's Signature _____

Date _____

Permit Number: _____

Expiration Date: _____
