SPACE ISSUES ATHLETICS

- **Programing that lacks space:**
 - **Outdoor Space:** Still need a number of soccer, softball / baseball, and lacrosse.
 - **New Turf Field** has alleviated many concerns.
- **Indoor Space:**
 - **Winter and Early Spring** are a challenge for HS
 - **Several programs go late (5:30 pm – 7:30 pm), in Spring gyms may be used from 3:00 pm – 10:30 pm**
 - **Several programs utilize mornings.**
 - **No room to expand programming – (i.e. 6th grade, Special Olympics)**
 - **Storage space inadequate**
 - **Not enough Strength Training for all programs.**
 - **Pool needs improvements in pool size, seating and access**

SPACE ISSUES PHY ED

- Strength Training that meets needs of all students
 - Equipment for a variety of programs
 - Cardio and aerobic training
 - Increasing female participation
 - MS weight room presents space and safety concerns due to size.
- Storage is an issue
- Shared space – 3 classes in the gym creates crowding and safety concerns.
- Space makes some activities impossible
- We have solved creatively – we bowl and swim a lot!

YOUTH ACTIVITIES

- No room to expand programming.
 - No more available gyms in the winter!
- Students practice at inappropriate times.
 - Should elementary kids be ending practice at 9:00 pm?
- Desire to add 6th grade programs.
- Spartans of all ages are our kids!
- Lack of access leads to equity issues that begin in youth athletics.

FACILITY VISION

- **Weight Room Space**
 - More Space—stretching, movement areas, cardio and machine weights
 - Ability to have more inclusive space.
- **Gymnasium Additions – 4 Additional**
 - Adding 4 fully functional courts provides early practice opportunities, rooms for youth activities
 - Provides multipurpose space that allows individual skill and recreation
- **Pole Vault / High / Triple / Long Jump pit**
 - Built into additional gym space, allows indoor track to be run.
- **Indoor Track**
 - 200 meter
- **Multipurpose Aerobic Studio**
 - Dance team practice area, CE programs (fitness, martial arts, etc.)
- **Additional locker room space for all**
- **Address pool needs.**

COMBINED SPACES SERVE US ALL

- Additional space would serve curricular programs, athletic programs and community needs. Additional gyms space is multipurpose
 - Weight training space creates added opportunity
 - Storage is needed for all programming.
 - Locker rooms needed for all
 - Gymnasiums can serve multifunctional purposes
- Additional space needs to be geographically accessible.
