

Dear ROCORI Supporters,

With the beginning of another school year, we have officially launched our annual ROCORI Spartans Booster Club membership drive for 2020-21 and I wish to thank you for your past support of ROCORI Athletics. This has been an unprecedented fall with numerous changes and adjustments to all activities and our students and programs need our continued support.

Within the past couple of months, the ROCORI Booster Club announced our project for a multi-purpose turf field located on ROCORI's Secondary School campus. The project, which is fully funded through private gifts, is currently underway with a target completion date in early November. It will be ready for use early next spring as the new home for boys and girls soccer, 9-12 football, boys and girls lacrosse, and it will serve as needed as a practice facility for softball, baseball, track and field, dance team and band. The field will also be an outdoor classroom for physical education for elementary, middle school and high school students for decades to come.

A project of this size would not be possible without the outstanding support from our community. Each year ROCORI families, along with our business and corporate partners, come together to help provide significant resources that allow our student athletes to compete at a high level through conference, section and state competition. This past year, the ROCORI Spartans Booster Club provided over \$80,000 to help our coaches and student athletes succeed. In addition to larger projects, this important direct support will continue. Our primary mission is to fund extraordinary expenses and projects that are central to sustaining our proud athletic tradition. The new multi-purpose turf field reflects this mission.

Please consider renewing your membership at one of our three membership levels: Red, Black or White. In November/December we will update the large gymnasium banner with the names of all members for the 2020-21 year. You may send your membership by mail using the enclosed form or join online at rocoriboosterclub.com. Thanks for your consideration and generosity. Go Spartans!

Warm Regards,

John Young
